

Family Vacation & Study

DISCOVER BEAUTIFUL VANCOUVER BRITISH COLUMBIA LIVE THE EXPERIENCE OF A LEADING SCHOOL

Objectives

- ✓ To provide participants with a safe and fun learning environment
- ✓ To develop English skills for real-life situations while exploring Vancouver.
- ✓ To provide students with an opportunity to learn about western culture while living with a Canadian family.
- ✓ To inspire students to appreciate the majestic beauty of British Columbia while taking part in several leisure activities.
- ✓ To enhance self-confidence and independence.

Features

One of Canada's Leading School

The VEC campus is large, modern and attractive. With 48 classrooms, five computer labs, a cafeteria, and a large multi-purpose room, it is well-equipped for a wide variety of education and social-related activities.

Customized Program

The Vancouver family vacation and study program combines morning classes with afternoon sightseeing and leisure activities. At least one sightseeing activity is offered each weekend. This program includes 15 hours of morning classroom instruction each week as well as afternoon and weekend activities.

Small Class Size

The small class size (1 teacher to 15 students) enables students to interact closely with the teacher as well as the classmates.

Enriched Activities

Participants will attend classes and engage in a wide range of activities mountain hiking, kayaking, and swimming, as they become totally immersed in Canadian culture and social life.
